Jubilee

is a call to live God's vision of Shalom and hope for the world. It is a soul vision: an invitation from the heart of God to live the mystery of love here and now.

Foundational to Prairie Jubilee is the enneagram symbol. Its depth of wisdom makes it an ideal guide for an examination of spirituality and the inner landscape of soul.

The enneagram is a dynamic structure of energy, a spiral of nine gateways into the mysteries of love and consciousness. This ancient symbol offers a process and a structure which encourages contemplation and imagination. It provides principles for transformation with the aim of attaining inner freedom for the service of humanity and the cosmos.

*Prairie Jubilee
is an integrative program.*

Light

Will someday split you open
Even if your life is now a cage,
For a divine seed, the crown of destiny,
Is hidden and sown on ancient, fertile plain
You hold title to.
